

Buzz Duster/Quality Equipment
1826 W. Sahuaro Drive
Suite 6
Phoenix AZ 85029
Sales@Qspray.com

Buzz Duster has a 180-Day warranty against manufacturer's defects.

Important: This warranty does not apply to any damage resulting from abuse, normal wear and tear, unauthorized alteration, shipping, or failure to properly use the product.

To start a warranty claim, please forward the proof of purchase from an authorized Buzz Duster retailer, along with photos detailing the claim to Support@qspray.com. Please include your name, return address and contact phone number.

After the claim has been established and reviewed, the Buzz Duster will need to be sent prepaid to our inspection facility. The facility will inspect the unit for manufacturing defects and determine if the claim is valid. On claim approval, a replacement Buzz Duster will ship prepaid to the specified return address. Buzz Duster may repair or replace a warranted unit at our sole discretion.

Thank you.
